Message from our Executive Director

Hello Everyone:

Since our residents health is very important, this month we will have our **Resident Flu clinic** sponsored by **Guardian Pharmacy** will be held **Thursday September 26 from 9am-12noon**. Jeanette will be sending an email with the documents and consents regarding the clinic. Please return the signed consents before the clinic date.

Milton and Aileen Cruz visited our community in August and they hosted a lunch for our campus Associates of the Month. It was a great experience for our team.

Message from the LED

Hi everyone, we are celebrating the last days of Summer!

We are excited to welcome the month of September because there are wonderful holidays to celebrate.

September will bring Octorberfest, Labor Day, Grand Parents Day and Hispanic Heritage Month!. We are looking forward to more amazing live entertainment provided by our wonderful vendors and volunteers.

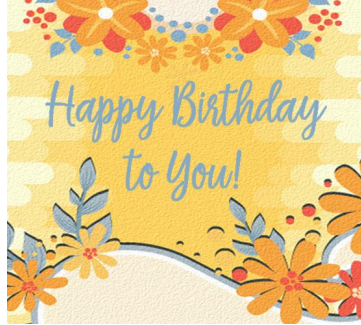

Our Pet Therapy program is growing everyday with visits from our furry friends and family members, we love them so much! We look forward to the change of seasons as we visit historic parks and see the beautiful changes that nature brings.

Resident In Spotlight

MS Beverly Parker

Associate of the Month-

Congratulations to Sandra Kissi For winning again AOM!

Sandra is our lead Med tech she makes sure everyone is taken care of. This is her second time being chosen Associate of the month because of the outstanding commitment and dedication she shows towards residents, families and staff.
